1957

20c

IMPORTANT FACTS YOU SHOULD KNOW

Classes indicated as F are for the first term, June 10-July 12.

Classes indicated as S are for the second term, July 15-Aug. 16.

Classes indicated as C continue through both terms, June 10-Aug. 16.

1. Courses which do not draw a proper number of students by Friday of the first week will be discontinued by the Dean of the Summer School.
2. The program of courses listed on your Registration card is considered the official registration for the quarter. You will be held responsible for the completion of the entire program unless an official "Change in Registration" form is filed with the Registrar's Office. Changes in registration will not be accepted before Thursday, June 13.
3. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your dean or counselor. (The forms may be obtained from your Dean or the Registrar's Office. Complete instructions are printed on the back of the form.)
4. After Friday of the first week of each term, there is a fee of \$1 for each change of registration (adding a course or discontinuing a course.) This is payable at the Treasurer's Office and will be receipted on the "Change of Registration" form.
5. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, 2234 SFLC, or you will be given a "UW" (Unofficial Withdrawal - this is the same as an "E") on the official records.
6. Class numbers which include the letter "P" indicate private instruction for which there is a special fee. This fee is payable at the Treasurer's Office.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Friday, October 4.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. A student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Wednesday, October 9, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course.) This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 223⁴ SFLC; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The chairman of attendance and scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

Each Tuesday and Thursday at 9 a.m. assemblies will be held in the Field House. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

Students enrolled the Spring or Summer Quarters, 1957, may register according to the above alphabetic schedule upon presentation of their Spring or Summer activity card or fee receipt.

New students and former students not enrolled Spring or Summer Quarter may register according to the above alphabetic schedule upon presentation of their green or yellow admittance slip.

If activity cards or admittance slips are lost, a duplicate may be obtained at the Field House on registration day, but this will delay one's registration.

Students not enrolled Spring or Summer Quarter who do not advise the Admissions Office of their plans to return will encounter considerable delay in their registration. This will result in their being subject to the late registration fee.

It is the policy of the University that each student must not register for more than one-half of his classes in the forenoon (periods 8, 9, 10, and 11 a.m.) unless excused by his Dean or the Chairman of General Registration.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Wednesday, January 8.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College or your Advisor in General Registration. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed during the next regular quarter of the student's residence, provided that the next quarter of residence is within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Monday, January 13, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 2234 SFLC; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The Chairman of Attendance and Scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

Students enrolled the Autumn Quarter, 1957, may register according to the above alphabetic schedule upon presentation of their Winter Quarter permit to register obtained from the Registrar's Office in exchange for their trial registration signed by their advisor. These permits must be obtained before 4 p.m. Wednesday, December 11. Those who do not comply must register late and pay the late fee.

New students and former students not enrolled Autumn Quarter may register according to the above alphabetic schedule upon presentation of their green or yellow admittance slip.

If permits to register or admittance slips are lost, a duplicate may be obtained at the Field House on registration day, but this will delay one's registration.

Students not enrolled Autumn Quarter who do not advise the Admissions Office of their plans to return will encounter considerable delay in their registration. This will result in their being subject to the late registration fee.

It is the policy of the University that each student must not register for more than one-half of his classes in the forenoon (periods 8, 9, 10, and 11 a.m.) unless excused by his Dean or the Chairman of General Registration.

Winter Quarter fees may be paid at the Cashier's Office from November 11 - December 20, 1957 for students enrolled Autumn Quarter.

Students should report to the Fieldhouse five or ten minutes ahead of the times listed above. Those who report ten or more minutes late must return with the latecomers at 3:30 P.M. on Friday and 11:00 A.M. on Saturday.

Each Tuesday and Thursday at 9 a.m. assemblies will be held in the Field House. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

REGISTRATION INSTRUCTIONS

IMPORTANT FACTS YOU SHOULD KNOW

1. The program of courses listed on your registration card supported by course cards you turn in to the Registrar's Office is considered your official registration for the quarter. You will be held responsible for the satisfactory completion of the entire program unless an official "Change of Registration" form is filed with the Registrar's Office, Maeser Building. No change in registration will be accepted until Thursday, March 27.
2. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by the Dean of your College or your Advisor in General Registration. Your Dean may also require your Advisor to sign. (Complete instructions are printed on the back of the form.)
3. An incompleted course of study may be completed within one year of the time of the incompleting of the course. If a student does not complete a course within the prescribed time, his grade for the course automatically becomes an "E."
4. After the SECOND WEEK of each quarter further enrollments or registration in courses is not permitted. If a student withdraws from a class after three weeks of a quarter, the permanent record will show the letter "W" for the class in question. Except for reasons beyond his control, a student is not permitted to withdraw from a course after the SIXTH WEEK of the quarter without receiving a failing grade.
5. Beginning Tuesday, April 1, there will be a fee of \$1.00 for each change in registration (adding a course or discontinuing a course). This is payable at the Cashier's Office and will be receipted on the "Change of Registration" form.
6. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, Room 223⁴ SFLC; or you will be given an "E" on the official records for each class.
7. Class numbers which include the letter "P" indicate private courses for which there is a special fee. This fee is payable at the Cashier's Office.
8. Regular attendance is required at all recitations, laboratory and field work. The Chairman of Attendance and Scholarship has general supervision of the disciplinary work of the institution.
9. Undergraduate students in good standing may register for as many as 17 hours of credit in any one quarter by following the regular registration procedures. In the case of a student who has academic ability of high quality, the Dean of a College or the Chairman of General Registration may authorize the student to register for a maximum of 18 hours for the first quarter in residence and a maximum of 19 hours for any succeeding quarter. Any student who has been in residence for one quarter or more and has a cumulative average of 3.5 (or a 3.5 average in the quarter previous to registration) may register with the consent of his Dean, for 21 hours. Registration for students on probation must be limited to 15 hours. Any exceptions to the above rules shall be presented to the Deans' Council for consideration.
10. All students, regardless of where registered, are to have the advantage of the Counseling Service. It is the policy of the University that all new students check with their counselors some time during their first year at B. Y. U. to discuss the results of their orientation tests. Freshman students who register with a college do so with the understanding that they check with their counselors during the first quarter following such registration, or they will not be permitted to register for the following quarter.

COMPLETE PRE-REGISTRATION IS TO BE HELD FOR SPRING QUARTER, 1957-58

NO REGISTRATION IS PLANNED FOR THE FIELD HOUSE. CLASSES BEGIN MARCH 24th.

REPEATING STUDENTS

Students enrolled Winter Quarter 1958 may register between February 17th and March 24th by following the procedure given below.

1. Purchase a Class Schedule at the Student Service Center (25¢ each).
2. Obtain registration materials from the office of the Dean of the College in which your Winter Quarter registration was completed. Students in General Registration go to the Registrar's Office. Each student must show his Winter Quarter activity card or fee receipt.
3. Report to your registration adviser and complete your proposed Spring Quarter registration. Obtain the signature of your adviser. Keep your copy of the Class Schedule containing your proposed list of courses.
4. Go to the Dean's Office of the college in which you plan to enroll Spring Quarter. Obtain the signature of your Dean and leave your packet at his office. This must be completed before 4:00 p.m., Wednesday, March 5th.
5. The Registrar's Office will pull class cards for students in the order in which packets are turned in to the Deans' Offices. When sections are closed the University reserves the right to substitute other available sections. Your Dean must approve times when you cannot have classes and also exceptions to the rule that half your classes must be at hours other than 8:00 a.m. to 12:00 noon.
6. Fees may be paid at the Cashier's Office beginning February 14. They must be paid before you report to finalize your registration.
7. When your class cards have been pulled you will be notified by mail to report to the multi-purpose area on the main floor of the Smith Family Living Center to finalize your registration. Take the notice and your validated Spring Quarter activity card with you.

LATE FEE FOR REPEATING STUDENTS

For all students enrolled Winter Quarter, registration for Spring Quarter must be completed before 4:00 p.m., March 14. Those who do not comply must register March 24 or later and pay the late fee (\$5.00 to \$10.00).

1. Obtain a class schedule from the Student Service Center (25¢ each).
2. Notify the Admissions Office several days before you plan to register and obtain an Admission or Readmission Permit. This may be done by mail.
3. Although classes begin on Monday, March 24, students not enrolled Winter Quarter may register on that day until 4:00 p.m. without any late fee penalty. If it is convenient, however, new and former students may complete their registration during the period from February 17 to March 24 by reporting, in person, to the Registrar's Office where registration materials and instructions may be obtained. Office hours are 8:15 a.m. to 4:00 p.m. Monday through Friday.

LATE FEE FOR NEW AND FORMER STUDENTS

The late registration fee of \$5.00 for the first day plus an additional \$1.00 for each day late, up to a maximum of \$10.00 begins March 25 for students not enrolled the Winter Quarter. The fee for part-time students (9 credit hours or less) is one-half the above amount.

ALL STUDENTS PLEASE NOTE

Classes begin Monday, March 24. First changes in registration will be accepted on Thursday, March 27.

It is the policy of the University that each student must not register for more than one-half of his classes at hours other than 8, 9, 10, and 11 a.m. unless excused by his Dean or the Chairman of General Registration. The student may list hours when he cannot have classes, but this must be approved by his adviser and Dean.

SUMMER QUARTER

25c

Each Tuesday and Thursday at 9:45 a.m. assemblies will be held in the Joseph Smith Auditorium. These assemblies are designed to promote spiritual, intellectual, and cultural growth. Therefore, it is contemplated that all members of the faculty and student body will attend.

IMPORTANT FACTS YOU SHOULD KNOW

Classes indicated as F are for the first term, June 16-July 18.

Classes indicated as S are for the second term, July 21-Aug. 22.

Classes indicated as C continue through both terms, June 16-Aug. 22.

1. Courses which do not draw a proper number of students by Friday of the first week will be discontinued by the Dean of the Summer School.
2. The program of courses listed on your Registration Card is considered the official registration for the quarter. You will be held responsible for the completion of the entire program unless an official "Change in Registration" form is filed with the Registrar's Office. Changes in registration will be accepted starting Thursday, June 19.
3. When once registration has been completed, the discontinuing of a class, the electing of a class, or any change whatsoever must be made on a "Change of Registration" form approved by your dean or counselor. (The forms may be obtained from your Dean or the Registrar's Office. Complete instructions are printed on the back of the form.)
4. After Friday of the first week of each term, there is a fee of \$1 for each change of registration (adding a course or discontinuing a course.) This is payable at the Treasurer's Office and will be receipted on the "Change of Registration" form.
5. If you find it necessary to discontinue school before the end of the quarter, you must clear with the Dean of Students, 223⁴ SFLC, or you will be given a "UW"(Unofficial Withdrawal - this is the same as an "E") on the official records.
6. Class numbers which include the letter "P" indicate private instruction for which there is a special fee. This fee is payable at the Treasurer's Office.

PRE-REGISTRATION IS TO BE HELD FOR SUMMER QUARTER 1957-58

NO GENERAL REGISTRATION IS PLANNED FOR THE FIELD HOUSE. FIRST TERM CLASSES BEGIN JUNE 17; SECOND TERM CLASSES BEGIN JULY 21, 1958.

Pre-registration begins on May 5. Fees must be paid and registration completed before 4 p.m. on June 16 for the First and Continuous Term classes and before 4 p.m. on July 21 for Second Term classes. The late fee penalty (\$2.50 to \$5.00) applies beginning June 18 for the First Term and on July 23 for the Second Term.

All new and former students should notify the Admissions Office in advance of their plans to enroll. Students enrolled Spring Quarter, 1958 need not apply for readmission to Summer School.

Students may register for either or both terms any time between May 5 and June 17 by following the procedure outlined below. (Office hours are from 8:15 to 4:00 p.m. Monday through Friday.) Registration on June 16 will follow the alphabetic schedule outlined on the following page of this schedule.

1. Purchase a Class Schedule at the Student Service Center (25¢ each).
2. Obtain registration materials from the Registrar's Office. Each student must show his Spring Quarter activity card, fee receipt, or an admission permit for Summer Quarter.
3. Report to your registration adviser and list your proposed Summer Quarter registration. Obtain the signature of your adviser. Keep your copy of the Class Schedule containing your proposed list of courses.
4. Obtain the signature of your Dean and leave your packet at the Registrar's Office. (Students from out of town may complete their registration at this point.)
5. The Registrar's Office will pull class cards for students in the order in which packets are turned in. When sections are closed, the University reserves the right to substitute other available sections. Your Dean must approve times when you cannot have classes.
6. Fees may be paid at the Cashier's Office beginning April 30.
7. When your class cards have been pulled you will be notified by mail to complete your registration at 180 Maeser Building.

This may be done before fees are paid. The late fee, however, will be charged if fees are paid on or after June 18 (July 23, Second Session). If fees are not paid before Monday at 4 p.m. of the second week of classes either term, registration will be cancelled.
